

The Specialty Paint and Body Gambler

p/b Ghost Energy with Georgia Cycle Sport

One of the highlights of the AOC Twilight weekend, the Specialty Paint and Body Gambler presented by Ghost Energy is a 50 or 100 Kilometer participation bike ride that winds through scenic Athens countryside. Traveling past Kenny Rodger's Beaverdam farm, riders acquire a poker hand along the route and awards are given to the top 10 hands. More than 600 participants 'compete' for \$100's in prizes. Top twenty hands get stuff so be sure and make the awards presentation at 3 PM at Paloma Park.

"THE RULES"

To play, simply join us by riding the Specialty Paint and Body Gambler. Along the route, you will pick up 5 cards total. The first card will be at the start of the ride, the last card will be downtown at the finish line on Washington Street. The other 3 cards will be picked up at the three stops on the 50k loop. (The rest stops at 100k are for water and food only).

The rider with the best hand (5 card stud no trading cards! No wild cards, one card coming from each of the 5 stops) wins! The various hands possible from highest to lowest include:

Straight Flush – A straight flush is a straight (5 card in order, such as 7-8-9-10-J) that are all of the same suit. As in a regular straight, you can have an Ace either high (A-K-Q-J-T) or low (A-2-3-4-5). An Ace high straight-Flush is called a Royal Flush and is the highest natural hand.

Four Of A Kind – For cards of the same rank like Four Kings.

Full House – A full house is a three of a kind and a pair, such as (K-K-K-2-2).

Flush – A flush is a hand where all of the cards are the same suit, such as (A-J-9-7-5), all of Diamonds. When Flushes tie, follow the rules for High Card.

Straight – Five cards in rank order, but not of the same suit.

Three of a kind – Three cards of any rank with the remaining cards not being a pair.

Two Pair – two distinct pairs of card and a 5th card.

Pair – One pair with three distinct cards. Highest ranking pair wins. High card breaks

High Card – When a hand has none of the above qualifications of any of the ones listed above, nobody has even a pair or better, then it comes down to who is holding the highest ranking card.

In case of a tie for the highest hand, the riders will draw one card. High card wins. Be at Paloma Park at 3 PM (near the finish) for winners ceremony. Attendance is not mandatory to win but don't miss the fun. Prize winners will be notified by phone or e-mail if not in attendance.

*** Participants in the 100k please WALK your bikes over Watson's Mill Bridge. ***
